Commercial Lines Insurance Producer

Position Brief

We are looking for an insurance producer to sell commercial lines insurance products.

Responsibilities

- Sell commercial insurance products and build a book of business. As your book grows, so will your income.
- Work with our customer service reps to sell and maintain your book of business.
- Rate new business and work with CSR on renewals generated by producer.

Requirements

- Proven work experience in sales a plus
- A property and casualty license will be needed for this position.
- Being able to work well on a team
- Be able to develop and maintain relationships with many people
- Professional attitude and appearance
- Solid written and verbal communication skills
- Ability to be resourceful and proactive when issues arise
- Good organizational skills
- Multitasking and time-management skills, with the ability to prioritize tasks
- Persistent attitude
- Self motivated
- **Positive attitude and competitive spirit**

Pay and Benefits

- Will be determined based on experience and preference of person applying. There are multiple ways an insurance producer can be paid.

To Apply

- Send resume and cover letter to **ericb@agencyonemn.com**
